Limitation and Exclusion of Warranty

This warranty is in lieu of all other warranties, whether oral or written, express or implied. Any implied warranties, including implied warranties of merchantability and fitness for a particular purpose, are limited in duration to ninety (90) days from the date of purchase of this product. An implied warranty of merchantability means that that the product will work normally and an implied warranty of fitness means that a product is suitable for the use for which it is advertised. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. TSP shall not be liable for incidental or consequential damages for the breach of any express or implied warranty, including damage to the property and, to the extent permitted by law, damages for personal injury. Some states do not allow limitations on the exclusion or limitation of incidental or consequential damages, so the above limitation may not apply to you.

Other Conditions

This warranty allocates the risks of product failure between you and TSP. TSP's software pricing reflects this allocation of risk and the limitations of the liability contained in this warranty. The agents, employees, distributors and dealers of TSP are not authorized to make modifications of this warranty, or additional warranties binding TSP. Accordingly, additional statements such as dealer advertising or presentations, whether oral or written, do not constitute warranties by TSP and should not be relied upon.
